ASSOCIATED PRESS REPORTS By the Western Union Line.

Forty-first Congress---Second Session. Semate.

Washivorox, D. C., Dec. 13.
Mr. Carpenter, from the Committee on Judiciary, reported Mr. Morton's bill to perfect
the reconstruction of Georgia, with amend-

solved, That the State of Virginia is en-to representation in the Congress of the

United States.

Mr. Butter introduced the following:
Whereas, The people of Virginia have adopted a Constation, republican in form, and by its provisions assuring the equalty of right 10 citizens in the United States before the law, and has in all respects equipled with the requirements of the several acts of Congress previously States and the several acts of Congress previously States: and

Mr. Butler, of Mass, offered a resolution instructing the Committee of Waya and Means to prepare and report a bill forthwith to place taxation of incomes derived from United States, bonds by holders therefore on the same ground sa now provided for payment of taxation of the income from railroads and other corporations; statuday evening, while he was preparing to retire, dragged him to the street, beat and be derived from the interest on all Government of taxation of the income from railroads and other corporations; statuday evening, while he was preparing to retire, dragged him to the street, beat and be derived from the interest on all Government of taxation of the income from railroads and other corporations; statuday evening, while he was preparing to retire, dragged him to the street, beat and bridged him in a terrible manner, and after that is, that a five per cent income tax should be derived from the interest on all Government of the chamber of a boy named McGavelly. Statuday evening, while he was preparing to retire, dragged him to the street, beat and bridged him in a terrible manner, and after that is, that a five per cent income tax should be derived from the interest on all Government of the chamber of a boy named McGavelly. Statuday evening, while was preparing to retire, dragged him to the street, beat and income from railroads and other corporations;

mand soon found herself giving the very best of satisfaction, with sixteen dollars per month and board. She found more "money" in this tags in teaching.

Mrs. Charles H. Fullwood of Fitsburgh, visiting in Bultimore on Wednesday hat was

retification by Kansan in philosochur of the second section is changed Record and in the section is changed Record and the second section is changed Record and the second section is changed Record and the Whole, Mr. Dawes in the chart, and resumed consideration of the Crease bill. Amendments were offered by Messers Judd and Column, looking to the series apportionment of representatives than contemplated in the bill, which led to a long and animated discussion. Without disposing of the question thus raised, the committee retired, and the House at 4 o'clock salioussed.
